LONGSE CCTV Camera DVR system

Features :

The LS-9508PKB series is a Full D1 Professional grade 8CH Stand alone DVR on the market today. It utilizes an embedded LINUX OS for more stable operation. With independent hardware advanced H.264 video compression technology, offering unmatched image quality at Full D1 (720x480 NTSC, 704x576 PAL) resolution, true real-time video and much smaller file sizes to give you longer storage time and faster remote viewing capability. Largest recording storage capability up to 4TB is also its high light feature.
